- **Aftercare cleaner.**
- **For polished and unpolished stone.**
- **Gentle cleaner ideal for stone fireplaces and worktops.**
- **Cleans and embellishes delicate surfaces**

Suitable for internal and external use

LTP Stonecare low foaming maintenance cleaner is a gentle, neutral product that cleans without damaging even the most delicate surfaces. Suitable for polished and unpolished natural and artificial stone including limestone, granite, marble, travertine, slate, sandstone, quartz, terrazzo, basalt, concrete and all other types of masonry surface. Can also be used on laminate and acrylic worktops. Fresh clean fragrance.

Directions for use

For application and cleaning tools see LTP website.

Rough cut, tumbled, textured or riven surfaces:
Shake well. Hold 20cm from surface and spray. Wipe over with a clean dry cloth and leave to dry.

Honed, smooth and polished surfaces
Use as above, but finish by buffing with a clean dry cloth.

Shake can well before use.

Notes:

NB. Always test the product on an inconspicuous area for suitability before general application.

Contains: <5% Anionic surfactants.
< 5% Non-ionic surfactants.
Perfume

Ingredients: www.ltp-online.co.uk/dr
